

Experiential workshops

We promote social welfare through camps, integrative meetings, workshops, coaching sessions, training courses and various other activities that we call experiential workshops.

¿WHAT PROBLEMS DOES IT SOLVE?

- Social, relational problems, work climates.
- Family dysfunction.
- Lack of staff training.

The foundation has a team of professionals to help you achieve the goals you are looking for, each event will be designed so that the activities make your team more efficient and more committed.

Our workshops facilitate the knowledge of our internal world to try to solve emotional difficulties or expand personal knowledge through a methodology, as well as techniques in working with small and large groups always in a pleasant, confidential and safe environment.

BENEFITS

- Addresses issues that afflict groups and that allow information to be provided for a better life.
- It is ideal to work trust, teamwork, self-esteem, negotiation, management styles, creativity, leadership as a service, achievement orientation and effective communication among others.
- We seek to strengthen the link for the beneficiary to enjoy the therapeutic benefits of interaction with animals.
